Until.” —Jim

Quitters never Win and Winners never Quit; "Wrong" abruptly says Godin, winners do quit all the time. tactically rather than strategically he infers. My simplification rather than Godin's. The wisdom in this book is from several (NOT TOO MANY) real-life examples that he gives. AND - he writes less, less in this particular case is definitively more.

Dec 22, 2021 · (The upper classes, on the other hand, are taught about things like the sunk cost fallacy and why it's important not to chase bad money with good.) And as a result, people routinely continue on against their best interest
because they have been taught to never quit, and so they do - until it breaks them. Lately I've been wondering a lot about this.

Jan 10, 2017 · It is rightly said, “Winners never quit, and quitters never win” I remember that one moment in late 90s, it was half past ten in the night, and my uncle was taking to my grandfather that he could not work more in that company because they are not paying him good according to his qualification and he wants to quit that job.

Hi, my name is Rich Kohler. and I'm the owner of Kohler Elite Karate. When I was a child, I began my martial arts journey and the positive impact it had on my life was remarkable. It was always my dream to someday own my own school in Glastonbury and create an enjoyable environment for students to improve their fitness while building confidence they can carry into their everyday lives.
